

Zettonics Modular Optical Infrastructure TEN²¹ -12 Position Chassis

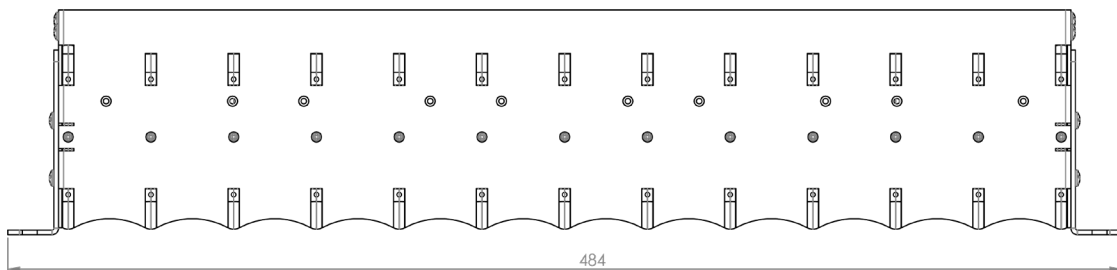

The Zettonics TEN²¹ 2U chassis, mountable in 19-inch racks (other options available) provides user-friendly and flexible connectivity when combined with Zettonics TEN²¹ cassettes, harnesses, trunks and patch cords. The simple design allows 12 cassettes to be loaded from either the front or rear with easy, fast and secure latching. It provides a flexible high density system for managing fibre terminations, cabling and patching in data centre and LAN applications, optimising rack utilisation and minimising floor space.
